

April

CHILD ABUSE PREVENTION MONTH

Join us for a National day of prayer. We ask that on this special Sunday, people of all faiths join together in a day of prayer to demonstrate their support for children who have been abused and for those who rescue them.

On April 26th, we ask that churches declare their commitment to ending child abuse and neglect by recognizing April Child Abuse Prevention Month during their services.

Attached is information we hope you will share with your church. A video will be available for viewing on our website and facebook.

Please join us by participating on Sunday, April 26th, as we advocate to end child abuse in our community.

Sincerely,

Brittani Ellison
