

BUTTERFLY BRIDGE
CHILDREN'S ADVOCACY CENTER

IMPACT REPORT **2021** **2022**

Butterfly Bridge Children's Advocacy center offers a safe, child-friendly environment to children victimized by abuse or neglect as we provide restoration and justice in their lives.

LETTER FROM THE DIRECTOR

Dear friends of Butterfly Bridge CAC,

In 2022, we celebrated 10 years of advocacy for child victims of abuse in our community! As I reflect on those last 10 years, I am reminded of all the remarkable accomplishments. We have seen unprecedented growth of the organization's programs, facilities, staff, and revenue. We have been fortified by remarkable levels of community support and recognition for the importance of our role in the investigation of child abuse cases, family advocacy support services, and our mental health programming. We are so grateful to all of you for your commitment to creating a safer world for children.

A total of 304 children walked through our doors last year. Those children are seen by our Multidisciplinary Team for concerns of child abuse and come to us seeking hope and healing. We also reached 5,218 people in our community through our prevention education programs. Our reach has grown astronomically as we have fully embraced our mission to intervene and prevent child abuse. We are deeply proud not only to have provided the best quality, nationally recognized investigatory services for these children; evidence-based trauma responsive mental health services to hundreds of those children; and to have partnered with so many wonderful organizations, churches, schools, and individuals to provide prevention services to children, adolescents, and adults this past year. This is truly a testament to our exceptional staff and partners, made possible by the support of a generous and compassionate community.

We have made significant strides in all five areas of our strategic priorities, and as a result we believe the children of Chilton, Autauga, and Elmore Counties are safer and better informed about interpersonal dangers to themselves and their peers.

Thank you for helping us achieve these goals and thank you for allowing us to do this very meaningful work. I look forward to the next chapter of organizational growth for Butterfly Bridge Children's Advocacy Center.

SERVICES PROVIDED

Every day children victimized by abuse come to Butterfly Bridge Children's Advocacy Center where they find caring professionals and community partners who dedicate themselves to helping them through the nightmare of abuse and neglect. The Center provides a friendly environment where children can safely tell their story and receive the support they need. Within the Center, families find support, resources, and most importantly a place where healing begins.

315 FORENSIC INTERVIEWS

Specially trained staff members at BBCAC conduct legally justifiable fact finding interviews with children at the request of law enforcement or the Department of Human Resources during child abuse investigations. The interviews are designed to allow a child to disclose abuse if abuse has occurred.

2,487 ADVOCACY

2,016 THERAPY

Evidence based, trauma informed interventions allows child victims and their non-offending family members the chance to heal from abuse. Services include: therapeutic services for child abuse victims, psychoeducational support groups for non-offending family members, and referrals to other needed community resources.

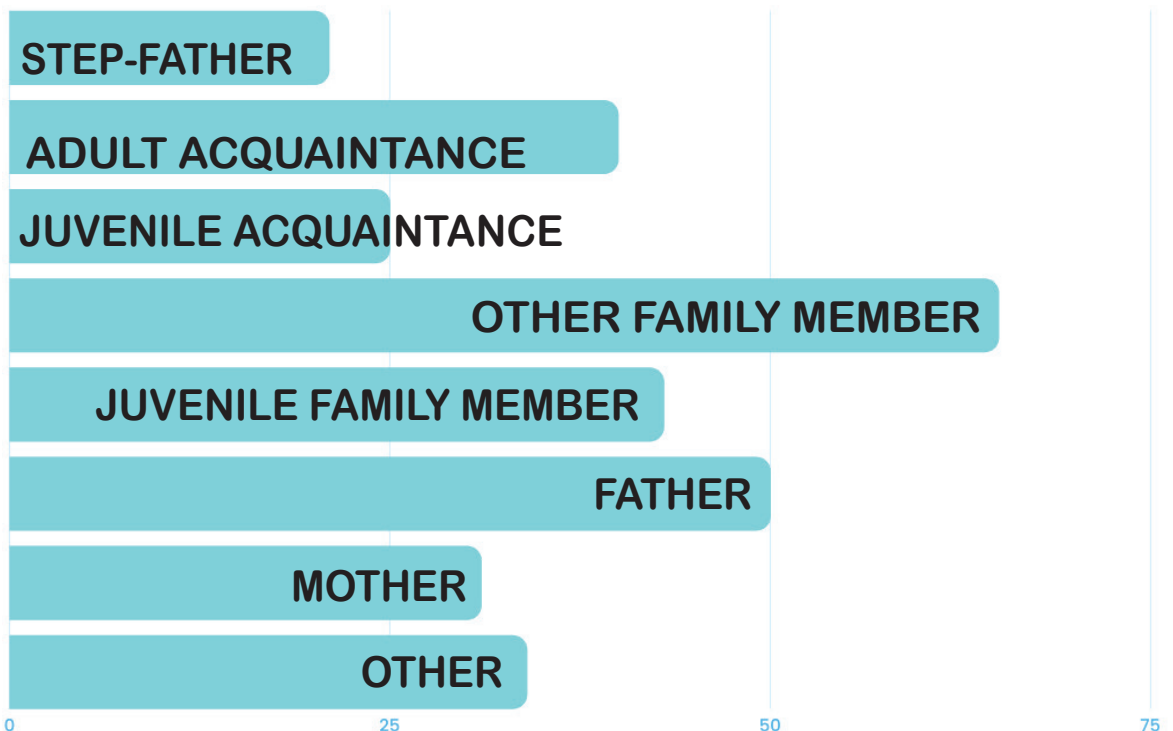

36 MDT MEETINGS/CASES REVIEWED 1,256
