## LETTER FROM THE DIRECTOR

*Dear supporters,*

Despite the challenges brought on by the ongoing COVID pandemic during 2021, we achieved so much this past year. We saw an increase in every service we provide as a total of **382 children walked through our doors and started their journey to hope and healing**. Then in the summer of 2021, we were thrilled to kick-off our Capital Campaign in Chilton County and renovations began on our new, forever home which will help us meet the needs of the most vulnerable now and years into the future. Within a few months, the Capital Campaign was fully funded thanks to generous donors and our Clanton office moved in late 2021.

Throughout this past year we have remained committed to ensuring that all client services and projects continued in a safe manner so we could continue to meet the critical needs of children and families victimized by child abuse. This next year is one of change and rapid growth, and we are excited to be celebrating our monumental 10th anniversary in 2022. With changes and milestones ahead of us, we continue to look toward the future of our community's children and remain steadfast in our commitment of being a safe haven to those we serve so that no abused child in Chilton, Autauga, or Elmore Counties ever goes without the services they need to heal.

We understand how incredibly difficult the past two years have been for our world, our community, and the children and families we serve. Butterfly Bridge Children's Advocacy Center is a place where hope and healing happens, but without continued support from our community, we would not be able to offer services to all children and families victimized by child abuse in our service area. As the need for our services continues to grow, you have shown us how dedicated you are to the children in your community, and we are in awe. **Your dedication and support helps ensure all children have access to the services they need – no matter the circumstances**. Every gift creates a lasting impact on the life of a child who has experienced abuse or neglect. Your commitment to the work we do here means more than you will ever know. From the bottom of our hearts – thank you.
